

## Code: DHPBIN-E02

## Hydraulic BSP Adaptors incl. various thread types, male, female, bulkhead, swivel, and socket adaptors

Adaptors series with a mechanical connection realized on a 60° conical seat. These items ensure the absence of leakages (also under the presence of gases), good resistance to high tightening, and easiness of assembly with the possibility to make repeated assemblies and disassembly's. Various quantities and types available, email info@dehp.co.nz for more information
